# AUTO-BOOK

From time to time taxi company lines get busy for different reasons eg: it's raining, rush hour, busy Saturday night etc.

So to combat this problem we have introduced an Interactive Voice Response System which we call AUTO BOOK.

All you have to do is fill in your details on the second page of this leaflet and give it to your driver or send it to us direct at:

**SATELLITE TAXIS**  
**Unit 4,**  
**20-21A Pouladuff Road, Cork**

You can also register by phone, email or fax. We will then enter your details on our system and the next time you ring AUTO BOOK will recognise and answer your call if our lines are busy.
